MPDP Where you can obtain prescription drugs

- **Where you can obtain prescription drugs.**

You may fill prescriptions at a pharmacy that participates in our nationwide network. The network includes retail pharmacies and Specialty pharmacies. You may also receive your medication from a long-term care pharmacy when your care is handled in or by a long-term care facility. You will receive information on how to obtain a copy of the pharmacy directory, which lists all pharmacies participating in our network, in your enrollment package. You may also go online to our webpage, www.fepblue.org/medicarerx/resources for a complete listing.

Network retail pharmacies may offer options for ordering prescription drugs online. Drugs ordered online may be delivered to your home and these online orders are part of the Retail Prescription Drug Program described in this section.
